Sign In

The Platform membership is limited to the following institutions and bodies, organisations or companies, with an organisational unit in one of the EASA Member States:

- European Union Institutions or Agencies acting in the area of aviation safety and security or home affairs;
- EASA Member States' Civil Aviation Authorities and relevant governmental institutions; and
- Commercial Aviation Operators (CAOC issued by EASA or EASA Member States).

For more information on Conflict Zones and the platform, please visit [EASA's website](#)

3. At first login scan the QR code presented using the Google Auth. App
4. Read and enter the 6 number code given by the app

Osprey (gian-andrea.bandieri@easa.europa.eu)
